

Rodgate Group is a support services company. If a facility needs it, or a mission needs it told to the public, Rodgate delivers it under one contract with one accountable owner. Six divisions across two capability families, twenty registered NAICS codes, federal, state, municipal, school district, commercial and prime contractor clients.

HOW THE WORK IS DELIVERED

Rodgate performs work in house where we are the right hands for it, and delivers the rest through licensed, insured, vetted partners under Rodgate's contract and Rodgate's management. Either way one company is accountable to you.

DIFFERENTIATORS

The owner answers the phone.

One owner, one number, one person answerable for the contract. No account layer, no call center, no handoff.

Only what we can back.

Classifications are stated exactly as registered. Past performance is listed only where it can be substantiated. Nothing is implied.

Sized for the work below the threshold.

Requirements at or under the simplified acquisition threshold get a same-week response. Small buys are the work, not an interruption.

PAST PERFORMANCE

Rodgate, LLC holds no federal contract awards. FAR 15.305(a)(2) (iv) requires a neutral past performance rating where a record is absent, and FAR 9.104-1(c) prohibits a responsibility determination made solely on the lack of a performance history. Federal market research participation includes sources sought responses to MICC West Point and ACC New Jersey, 99th Readiness Division. The principal has managed recurring cleaning, turnover and maintenance across a multi-unit residential portfolio to housing authority inspection standards. Commercial references on request. A teaming partner's experience is always identified as that partner's record, never as Rodgate's.
